This is an informative-type memorandum pertaining to action recently taken by officials of the National Knights of the Ku Klux Klan (NKKKK) to form a new Klan organization aimed at promoting interest among former Klan members. The NKKKK, led by James Venable and which is headquartered in Tucker, Georgia, has approximately 25 members.

Venable commented to four leaders of the NKKKK that he had received "hundreds of letters from all parts of the country" seeking Klan data. Venable believes that now is the time for a new Klan group to emerge, utilizing the slogan "Let's All Come Back Home." The group of five Klan officials approved the distribution of a document bearing the name of the new Klan, Knights of the Ku Klux Klan (KKKK), Tucker, Georgia, setting out requirements for membership. Venable will hold the positions of Imperial Wizard and Secretary-Treasurer of the new Klan organization.

OBSERVATIONS:

The title, KKKK is not new since such a Klan was founded in 1915 in Georgia. The KKKK dominated Ku Klux Klan activities until 1944. Numerous attempts in the recent past to establish a national union of Klans under a single leader have been unsuccessful, mainly because of failure to agree on one head. Venable has been the most active in Klan unification plans. Appropriate offices have been previously allotted to these attempts. Atlanta is staying on top of this most recent effort by officials of the NKKKK.

RE: NATIONAL KNIGHTS OF THE KU KLUX KLAN
OF OHIO, INCORPORATED

The following article appeared in the "Cincinnati Enquirer" on March 7, 1965. The "Cincinnati Enquirer" is a newspaper of daily circulation in the Cincinnati, Ohio, area:

"Klan Pickets Russians

"Four men, including one Cincinnati, who identified themselves as members of the Ku Klux Klan picketed the Russian Health Exhibit at Music Hall Saturday.

"Police said the men, all wearing the Klan robes, were Flynn Harvey, Columbus, Ohio, the grand dragon; William K. Smith, Grove City, Ohio; Curtis Rose, Hamilton, and Lawrence Mink, 3590 Cooper Rd., Blue Ash.

"The men carried signs reading 'America for Americans', and circulated handbills which read:

" 'In Vietnam the Communists are killing our boys every day and at the same time our government welcomes them to the great State of Ohio with open arms.

" 'We're ashamed of the government for allowing the Russians to exhibit in this country. We of the Klan oppose such actions and would like to know which side of the Iron Curtain the governor is on.'

"The handbills also said the Klan wanted 'prayers back in the classroom,' and urged people to join the Klan.

ENCLOSURE

NATIONAL KNIGHTS OF THE KU KLUX KLAN
OF OHIO, INCORPORATED

"The leaflets were signed by the Grand Knights of the Ku Klux Klan, Inc. Mr. Flynn, the grand dragon, was dressed in red robes and hood, the other three were garbed in white robes and hoods. None were masked.

"Police said the four men picketed for about an hour together with members of the States Rights Party. No incidents occurred."

On March 6, 1965, [redacted] Cincinnati, Ohio, Police Department, advised a Special Agent of the FBI as follows:

At approximately 4:15 P.M., March 6, 1965, a group of four white men and one white woman started picketing the Cincinnati Music Hall where there is a current medical exhibition on display under auspices of the Russian government. The men were dressed in traditional Klan robes and hoods, but their faces were not covered. The men were identified by the leader of the group, who holds the title of Grand Dragon, and who wore a red robe, as follows:

with Klan literature and other national problems. [redacted] also stated that he expected a group of unidentified sympathizers to gather and join in the picketing and that the men were well instructed to avoid violence and to disregard any insults. The unidentified sympathizers never made an appearance. In addition, [redacted] said he expected the "Grand Imperial Wizard" from Atlanta, Georgia, to fly into Cincinnati from Atlanta, however, the Grand Imperial Wizard apparently was delayed in Atlanta and never did make an appearance.

The above group departed from their picketing area about 5:20 P.M., and according to [redacted], they had no further plans to return after today.

[redacted] advised that no incidents took place.

A characterization of the National Knights of the Ku Klux Klan and a characterization of the National Knights of the Ku Klux Klan of Ohio are contained in the appendix.

A P P E N D I X

NATIONAL KNIGHTS OF THE KU KLUX KLAN
OF OHIO, INC. (NKKK)

On October 8, 1964, [redacted] Secretary of State's Office, Columbus, State of Ohio, advised public records from this office indicate a charter was granted the NKKK of Ohio on October 5, 1964, by the State of Ohio. The charter was filed under Certificate Number 10194, and the Corporation Number is 334111.

The purpose of the corporation is to operate as a realm organization within the State of Ohio and in accordance with the Constitution and laws of the National Knights of the Ku Klux Klan, Inc., Atlanta, Georgia. Second, to promote patriotism toward the civil government, honorable peace among men and nations, love among ourselves, liberty, justice and patriotic association for the mutual benefit of all mankind.

The incorporation papers were signed by Flynn R. Harvey, Grand Dragon. Flynn R. Harvey, 418 Josephine Drive, Columbus, Ohio; William K. Smith, 3482 Maple Grove Drive, Grove City, Ohio; and Bobby J. Stephens, 2973 Reaver Avenue, Grove City, Ohio, are the corporation trustees.

On October 23, 1964, [redacted] Secretary of State's Office, State of Ohio, advised that the National Knights of the Ku Klux Klan of Ohio, Inc.'s charter granted October 5, 1964, was revoked October 22, 1964, for the official reason that the National Knights of the Ku Klux Klan Organization was on the U.S. Attorney General's subversive list. [redacted] said the actual purpose for revocation of the charter was not because the National Knights of the Ku Klux Klan is on the U. S. Attorney General's subversive list, but because it was felt the existence of a state granted charter would encourage the Klan to make the claim it was "state sanctioned" and therefore entirely legitimate.

In actuality the Ku Klux Klan and not the National Knights of the Ku Klux Klan has been designated by the U. S. Attorney General pursuant to Executive Order 10450.

**KNIGHTS OF THE KU KLUX KLAN
RACIAL MATTERS**

Reurlet 3-10-65 pointing out that Tampa is office of origin in the case entitled "Knights of the Ku Klux Klan" (KKKK) and a group bearing a similar name was being organized by officials of the National Knights of the Ku Klux Klan (NKKKK) in Georgia.

The point made by Tampa to the effect that confusion may possibly result in reporting investigations of the two unrelated groups is well taken. A review of current information furnished by Tampa concerning the KKKK in Florida indicated that for the most part it is inactive and weekly meetings are attended by a few former Klan members. The KKKK in Georgia is still in the planning stages with numerous leads to appropriate field offices still outstanding.

To avoid confusion, all future correspondence concerning the potential new Klan group submitted by Atlanta, the office of origin, should include in the caption the name of the State, Georgia. Atlanta should so advise all appropriate offices. In future correspondence pertaining to the small group in Florida, which still utilizes the name KKKK, the name of the State, Florida, should be included in the caption.

RCD:jmw (6)

NOTE: Recently five officials of the National Knights of the Ku Klux Klan took steps to form a new Klan called the Knights of the Ku Klux Klan for the purpose of uniting all Klan groups. An informative-type memo has previously been sent up and leads have been sent to several offices. If this group becomes active, confusion could exist since a small unrelated group in Florida still utilize the name KKKK.

It is felt if the Bureau authorizes interview of these individuals on a periodic basis, each would be fully aware that the FBI is maintaining a close watch on their activities and participation in above listed organizations. It is further believed that if these individuals are made constantly aware of the FBI's interest in their activities, each will think twice before he becomes a part of any proposed action to violate another citizen's civil rights.

At a meeting of the Shreveport unit on August 20, 1964, members were cautioned they should not burn any crosses or take direct action against integration but should obtain

all details regarding persons involved in any integration movement. Instructions as to what action, if any, should be taken would have to be received from Coushatta, Louisiana. At this meeting, the members were informed that their unit was associated with the Klan organization headed by JAMES VENABLE. They were also informed there would be a \$10 initiation fee plus an additional \$10 for their robes and hoods which are made at Coushatta, Louisiana.

[redacted] August 20, 1964)

On October 15, 1964, the Shreveport unit decided on a tentative date of October 29, 1964, for an open-air rally and cross burning near Fillmore, Louisiana. At the same meeting, the members were informed that the issuance of membership cards had been discontinued.

[redacted] October 15, 1964)

At a meeting of the Shreveport unit on October 26, 1964, it was announced that a rally was to be held on the evening of October 29, 1964, along Highway 80 near Fillmore, Louisiana. It was anticipated that Klansmen from the areas of Coushatta and Monroe, Louisiana, as well as the area of Atlanta, Texas would attend this rally.

[redacted] October 26, 1964)

On October 29, 1964, a Klan rally held in a vacant field on the south side of U. S. Highway 80, Princeton, Louisiana, was observed by Special Agents of the FBI. Twelve to fifteen cars were parked in the vacant field. At 7:40 p.m., a white cloth sign 10' by 3' was hung on the fence behind 4 flares which had been placed on the side of the highway near the vacant field. The sign had red letters which read, "Johnson, Jenkins and Humphrey. It takes three to tango." A smaller sign 3' by 3' to the west appeared to be a caricature of President JOHNSON and had the words, "Me King", on it. At 8:05 p.m., 20-25 robed and

AT 157-60

hooded figures gathered on the vacant field in full view of the highway. At 8:12 p.m., 5 crosses were observed burning in front of the men in the field. The largest cross was 8' tall with a 5' crosspiece. The 4 smaller ones were about 4' tall with 4' crosspieces. While the crosses burned, the hooded figures stood in a semi-circle facing the highway and a total of 31 men were counted. At 8:20 p.m., the men broke the semi-circle, gathered in a group at the back of the field, then formed in pairs and marched counter-clockwise within the area of the burning crosses. They then formed a single line across the front of the area behind the signs and facing the highway. At approximately 9:00 p.m., a photographer started taking pictures of the group as they held their signs. The group began breaking up at 9:15 p.m. and departed at 9:25 p.m. There appeared to be no formal program and no speeches were made.

The following article appeared in the "Cincinnati Enquirer", a newspaper of daily circulation in the Cincinnati, Ohio, area, on March 7, 1965. The article was captioned:

"Klan Pickets Russians

"Four men, including one Cincinnati, who identified themselves as members of the Ku Klux Klan picketed the Russian Health Exhibit at Music Hall Saturday.

"Police said the men, all wearing the Klan robes, were Flynn Harvey, Columbus, Ohio, the grand dragon; William K. Smith, Grove City, Ohio; Curtis Rose, Hamilton, and Lawrence Mink, 3590 Cooper Rd., Blue Ash.

"The men carried signs reading 'America for Americans', and circulated handbills which read:

"'In Vietnam the Communists are killing our boys every day and at the same time our government welcomes them to the great State of Ohio with open arms.

AT 157-60

"We're ashamed of the government for allowing the Russians to exhibit in this country. We of the Klan oppose such actions and would like to know which side of the Iron Curtain the governor is on."

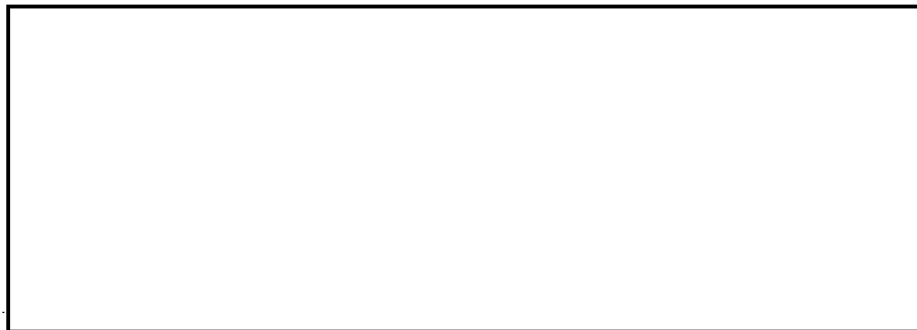

"The handbills also said the Klan wanted 'prayers back in the classroom', and urged people to join the Klan.

"The leaflets were signed by the Grand Knights of the Ku Klux Klan, Inc. Mr. Flynn, the grand dragon, was dressed in red robes and hood, the other three were garbed in white robes and hoods. None were masked.

"Police said the four men picketed for about an hour together with members of the States Rights Party. No incidents occurred."

A characterization of the National States Rights Party is included in the appendix of this report.

Sergeant [redacted] Cincinnati, Ohio, Police Department, advised that a group of four white men and one white woman started picketing the Cincinnati Music Hall where there is a current medical exhibition on display under auspices of the Russian government. The men were dressed in traditional Klan robes and hoods, but their faces were not covered. The men were identified by the leader of the group, who holds the title of Grand Dragon and who wore a red robe, as follows:

 September 16, 1964)

Initiation fee for membership into the NKKK is \$15 and dues are \$2 a month.

V. PUBLICATIONS AND PROPAGANDA

An article appearing in the "Atlanta Journal", a daily newspaper published in Atlanta, Georgia, for April 10, 1964, entitled "Klan Using Mails for Call to Arm", reflects an Atlanta attorney, JAMES R. VENABLE, is pursuing the same anti-Negro, anti-Jew, anti-Government goals under the following names:

The National Knights of the Ku Klux Klan, Inc.;

Defensive Legion of Registered Americans;

Committee of One Million Caucasians to March on Congress.

According to the article, the group says in mail pamphlets that it is determined to become once again the dominant political force in our country. The "Defensive Legion", whose slogan is "We're taking back our country", urges patriots to buy rifles, shotguns, pistols, walkie-talkies and food supplies for war. It says the people are

b2

the Government and urges defiance against tyrannical government.

The "Committee of One Million" seeks contributions for a big march on the nation's capitol to present Congress with a list of demands.

The document of the "Defensive Legion" urging citizens to arm themselves at one point says "Blood will surely flow in the streets, let it flow. Let us arm our homes to make sure that Negro-Jew blood flows--not ours."

Characterizations of the Committee of One Million Caucasians to March on Congress and the Defensive Legion of Registered Americans are included in the appendix of this report.

In November, 1963, NKKK distributed a pamphlet which states it is a message from JAMES R. VENABLE on the program and purposes of the NKKK. The pamphlet warns that race riots are inevitable and for the second time since 1866 the issue to be decided is whether or not the purity of the white Caucasian race will continue to exist, not only in America but all over the world. The pamphlet states that the Ku Klux Klan has already saved America from a mulatto citizenship and it stands ready to do it again. The pamphlet also states that the Klan does not hate. It states it is not anti-Catholic but pities all Catholics and their "papal enslavement". It is not anti-Negro. Instead, it is pro-white and will never consent to be ruled by an inferior race. The Klan is not anti-foreign born. It is pro-American and will only accept native-born Americans into membership. It states the Klan welcomes in America the members of the Nordic, Anglo-Saxon, Teutonic and the Gallic races, as classed as white Caucasians. However, the Great Melting Pot of our citizenry was never meant to be a "garbage can from the scum of Central Europe which numbers the bulk of the Slavics and the anti-Christians."

November 11, 1963)

VI. MISCELLANEOUS INFORMATION

[redacted] who resides near Bivins, Texas, and a member of the Association of Arkansas Klans, Knights of the Ku Klux Klan, a characterization of which is included in the appendix of this report, was in frequent contact with Klan leaders at Coushatta, Louisiana, during 1964.

[redacted] has been attempting through [redacted] to get the Texarkana Klavern of the Association of Arkansas Klans to have close contact with the Klan group in Louisiana.

[redacted] has indicated his desire to associate with the Louisiana Klansmen because they will, if necessary, engage in violent activity to prevent racial integration.

[redacted] October 1, 1964)

A National meeting of the NKKK was held at the headquarters of this organization at Tucker, Georgia, on January 23 and 24, 1965. At the meeting on the night of January 23, 1965, various Klan leaders discussed the Klan activities in their areas and criticized the Federal Bureau of Investigation for infiltrating the Klan. The general theme was that the Negroes had their organizations and the white people were entitled to theirs without the FBI intruding. At the meeting on January 24, 1965, a motion was made and passed that the NKKK meet only three times a year, that being in January, May and September, on the Labor Day weekend. A motion was also made and passed that Chairman JAMES R. VENABLE and [redacted] organize the next meeting in May, 1965, in accordance with the constitution and by-laws of the organization. Several delegates present suggested that the original constitution and by-laws of the Original Knights of the Ku Klux Klan be used by the NKKK and the motion was made and passed that 200 copies each of important Klan documents, such as the constitution and by-laws, be printed to have on hand at the National Office to give to delegates and members.

The delegates in attendance and the Klans represented were as follows:

VENABLE who indicated the Klan does not endorse any man for president of the United States but that with the men who are candidates he personally could not see voting for JOHNSON. He also said he could not tell people to disobey the new Civil Rights law but that any person could see it was wrong and something should be done about it.

ASSOCIATION OF GEORGIA KLANS (AGK)
KNIGHTS OF THE KU KLUX KLAN

A source advised on January 11, 1961, that the AGK was organized by [redacted] in the spring of 1960, with mailing address of Post Office Box 41, Bloomingdale, Georgia. This source stated that AGK is a new organization and is not affiliated in any way with the old Association of Georgia Klans. It is patterned after the U. S. Klans, has the same general ritual and has the same titles for its Klavern officers. Most officers and members are former members of the U. S. Klans. The announced purposes of this organization are to promote white supremacy and to fight integration and Communism by peaceful means, and it is opposed to any type of violence. This source said AGK is affiliated with the National Ku Klux Klan.

ASSOCIATION OF SOUTH CAROLINA KLAN
KNIGHTS OF THE KU KLUX KLAN (ASCK)

A source advised on September 24, 1956, that the Association of South Carolina Klans (ASCK) was organized in the Fall of 1955 and is patterned after the Association of Carolina Klans (ACK). This source said ASCK is a new organization and not a rebirth of ACK, although all high-ranking officials of ASCK had been members of ACK. The source stated announced purposes of this organization are to promote white supremacy and combat integration of the races; however, the use of violence is disavowed.

[redacted] source advised on September 2, 1950, that ACK was composed of groups formerly members of the Association of Georgia Klans (AGK) and although ACK severed all connections with AGK on November 14, 1949, the ideals, purposes and policies of the two organizations remained identical. ACK became defunct after conviction and imprisonment of its highest official and other members in 1952.

[redacted] source advised on April 16, 1962, that ASCK continues to operate for the purpose of promoting white supremacy and combating integration by peaceful means by public speaking and propaganda.

[redacted] source said that ASCK, using the name Majority Citizens League of South Carolina, published a monthly newspaper, "Southland Standard," from August through December, 1961, and dropped it due to lack of financial support.

AGK has been designated by the Attorney General pursuant to Executive Order 10450.

ENCLOSURE

DIXIE KLANS, KNIGHTS OF
THE KU KLUX KLAN, INC.
(Tennessee)

Confidential Sources advised it was announced at a meeting of Klavern #1, U. S. Klans, Knights of the Ku Klux Klan, Inc., at Chattanooga, Tennessee, on September 17, 1958, that some former leaders of Klavern #1 and their close associates had been banished from U. S. Klans, Knights of the Ku Klux Klan, Inc., during the preceding week.

Sources advised those individuals who were banished formed a new klan organization known as Dixie Klans, Knights of the Ku Klux Klan, Inc., with headquarters in Masonic Hall, 2523 Glass Street, East Chattanooga, Tennessee. A general welfare charter was secured from the State of Tennessee on October 21, 1957, which charter lists some of the purposes of the organization as freedom of speech and association, rejection of forced integration, preservation of the Constitutions of the United States and of Tennessee, and preservation of the sovereignty of each state.

On July 15, 1964, source stated that the DK, KKKK, Inc., has one active klavern in Tennessee and two active klaverns in Georgia. He stated there are no other klaverns of this organization in any other states although attempts have been made in the past to organize klaverns in other states.

A Confidential Source advised during the fall of 1960 that a "den" of Klavern #1, DK, KKKK, Inc., Chattanooga, Tennessee, consisting of ten members and two alternates, including [redacted]

[redacted] of DK, KKKK, Inc., [redacted] of Klavern #1, Chattanooga, Tennessee (the local chapter [redacted], and others, all listed as members of Klavern #1, DK, KKKK, Inc., Chattanooga, Tennessee, during July, August, and September, 1960, were reportedly responsible for five bombings of residences of Hamilton County, Tennessee, during July and August, 1960. Some of these members and alternates

of den held closed meetings and discussed bombings and other acts of violence. These meetings were reportedly closed and rank and file members of this organization unaware of such. All reported members and alternates of den interviewed during another investigation, denied knowledge of bombings or acts of violence, denied knowledge of "den" of DK, KKKK, Inc., and majority admitted membership of DK, KKKK, Inc.

Sources have reported as late as September, 1963 that for the past eighteen months or more, none of the DK, KKKK, Inc., members or leaders, including [redacted] have discussed any acts of violence. In fact, during this period, 1962-63, Negroes have demonstrated at Chattanooga, Tennessee, seeking integration of public and municipal facilities. In addition to these demonstrations some of the public schools, Chattanooga, have been integrated during the fall of 1962 and the fall of 1963. During these demonstrations and the integration of these schools, [redacted] and other DK, KKKK, Inc., leaders at closed meetings of this organization, and on an individual basis, have instructed members of this organization to stay away from areas of demonstration by Negroes and schools where integration was occurring, not to participate in any demonstrations or attempt to interfere with any Negro demonstrations, violence or advocate any acts of violence or become engaged in any arguments over above matters.

From October, 1960 to July, 1964 no acts of violence have occurred at Chattanooga and vicinity. During this period, DK, KKKK, Inc., has continued to operate as an active organization and during the same period all municipal facilities, Chattanooga, have been integrated, the majority of public facilities, including theatres, restaurants, motels, hotels, and other facilities have been integrated, plus integration of schools during the fall of 1962 and the fall of 1963. "Klan Pickets Russians

"Four men, including one Cincinnati, who identified themselves as members of the Ku Klux Klan picketed the Russian Health Exhibit at Music Hall Saturday.

"Police said the men, all wearing the Klan robes, were Flynn Harvey, Columbus, Ohio, the grand dragon; William K. Smith, Grove City, Ohio; Curtis Rose, Hamilton, and Lawrence Mink, 3590 Cooper Rd., Blue Ash.

"The men carried signs reading 'America for Americans,' and circulated handbills which read:

"'In Vietnam the Communists are killing our boys every day and at the same time our government welcomes them to the great State of Ohio with open arms.

"'We're ashamed of the government for allowing the Russians to exhibit in this country.

E. INFORMATION VOLUNTEERED BY OFFICERS OF LOCAL OHIO KLAN

(1) On February 18, 1965 [redacted] volunteered the following information to Special Agents [redacted] at Columbus, Ohio:

[redacted] advised he is a member of the NKKKK of Ohio, Incorporated and serves as [redacted] for the State of Ohio.

[redacted] in explaining his earlier denial of being affiliated with the Ku Klux Klan, stated he was not a fully initiated member at the time. He said he is not a member of the "Ku Klux Klan" but the "National Knights of the Ku Klux Klan of Ohio, Inc.," affiliated with the group by the same name in Atlanta, Georgia.

He said he could not tell the FBI the names of members of the Klan group he is affiliated with inasmuch as he had taken an oath which prevented him from doing so.

(2) On March 29, 1965 [redacted] voluntarily furnished the following information to Special Agent [redacted] when they appeared at the Columbus, Ohio, Resident Agency:

[redacted] advised he [redacted] the NKKKK of Ohio, Incorporated [redacted] admitted to holding no office in the same group.

[] stated their purpose for contacting the FBI was twofold:

1. They wanted to know if the Bureau was investigating the Ohio KKK.

2. They wanted to make it clear that a certain newspaper article which appeared in the "Columbus Citizen Journal" during the past week stated false information concerning the Klan.

[] stated he believed none of the members of the Ohio Klan were involved in telephonic threats recently alleged to have been committed by a Klansman in Columbus. He said he knew of no Klansman besides []

[] of the Klan in the West side of Columbus. He said he does not condone violence of any kind and denied he has made any threat to any person.

[] stated the threatening phone call may have been made by a former member of the Klan who, according to [] was "suspended" in January, 1965. He identified the member as [] who became a member of the NKKKK of Ohio in September, 1964. He said [] was suspended because of his own admission that he is an ex-convict.

[] stated he was responsible for the original recruitment of [] into the NKKKK. He said he was not aware of the ex-convict status of [] at the time. He said [] had told him at one time he had recruited a number of salespeople into the NKKKK, but he never produced the dues or names of said people. He said he doubts the truthfulness of [] boast. [] produced a card which allegedly is the "official" business card of the NKKKK. He said he knows who printed the cards but he declined to furnish the name of the person.

[] explained that his purpose for pushing the NKKKK in Ohio is that he desires to "expose" crooked politicians." He defined a "crooked politician" as one who "tells lies to the public."

b6

[redacted] said he supports the Klan because it stands for "clean government and states' rights government."

[redacted] said [redacted] was at his home about [redacted]
[redacted] He said he allowed [redacted]
[redacted] and, although he denies that he
listened to the conversation, he said he heard [redacted]

[redacted] He said [redacted] merely laughed the incident off, stating he meant nothing by it.

[redacted] were each asked to furnish the names of the members of the captioned organization, but declined to do so since this would "violate their oath of secrecy." [redacted] said he had "suspended" two other members of the Klan in Columbus for nonpayment of dues, but he would not give their names.

[redacted] stated he would give the FBI the names of any Klan members whom he suspects would commit acts of violence. He said he would not condone any acts or threats of violence on the part of any member. He will notify the FBI of any picketing planned by captioned organization.

[redacted] was asked if [redacted] was a member of the NKKKK of Ohio. He said he did not know [redacted] to be a member of the Klan in Ohio, but restated he could not reveal a member's identity because of his oath.

[redacted] declined to state how many members were in the NKKKK of Ohio, Incorporated, except to state that the group was "growing."

(3) On April 2, 1965, the following article appeared in the "Columbus Dispatch," a newspaper of daily publication at Columbus, Ohio:

b6
b7C

"Ohio Klan to Stage Fiery Cross Rituals"

"Ohio Ku Klux Klansmen plan a series of fiery cross burnings about the state in late May and early June as part of a recruitment drive.

"William K. Smith of 3482 Maplegrove Dr., Grove City --- describing himself as 'an old Klansman' --- announced the cross burnings would be staged 'on private property with the consent of the owners so they will be legal.'

"Smith did not identify the specific sites of the ritual, a tradition of the KKK since Reconstruction days, other than to mention 'various cities, including Cincinnati, Dayton, Columbus, Akron and Cleveland.'

"The Grand Dragon of the Ohio Klan is Flynn Harvey of Columbus, who could not be reached for comment, but Smith indicated that he made his announcement with Harvey's consent.

"Smith was one of the group which joined Harvey in forming the Ohio Klan last summer.

"A railroader, Smith was also a signer of the Ohio KKK's application to Secretary of State Ted W. Brown for a non-profit organization charter.

"Brown granted then revoked the charter, asserting the Klan was listed as a subversive organization.

"More recently, Brown commented that 'the Klan has becomeme identified with activities which violate the Ohio statute against criminal syndicalism.'

"The Ohio Klan is an affiliate of the National Knights of the Ku Klux Klan, headed by James R. Venable of Stone Mountain, Ga. This is one of several major Klan organizations in the U.S.

"Smith said the cross-burnings would not be a protest of President Johnson's recent denunciations of the KKK as 'enemies of justice' and 'hooded bigots,' but would be held as rallies to promote membership in the Ohio group.

"Since the President's speech, the membership is growing every day,' Smith asserted. He placed the current KKK total in Ohio at some 1000 and said the organization's goal is 200,000.

"Smith claimed the Ohio Klan is 'not anti-Negro.' The organization's function, the spokesman said, is to protest all Communist movements.

"We have no Negro members because it is not allowed in the Klan, but we will work and support all Negroes in any move they make to support the Constitution of the United States against Communism,' Smith declared.

"Smith added that the cross-burning rallies would commence 'as soon as the weather breaks.'"

On April 8, 1965, [] advised that no known recent meetings have been held by the NKKKK of Ohio, Incorporated in the Columbus, Ohio, or surrounding, area.

NATIONAL KNIGHTS OF THE KU
KLUX KLAN, INC.
NATIONAL MEETING,
TUCKER, GEORGIA,
APRIL 10-11, 1965

A confidential source advised on April 13, 1965, that a national meeting of the National Knights of the Ku Klux Klan, Inc., a characterization of which is attached hereto, was held at the Carl Garmon Building, Tucker, Georgia, on April 10 and 11, 1965.

A dinner was held at the Headquarters Building beginning at 7:30 PM, April 10, 1965.

The meeting following the dinner consisted of individual klansmen speaking on the local conditions and problems of their own klan organizations and the progress they are making. Most of them seemed to feel that the investigation of the Ku Klux Klan requested by President Johnson would help the klan to get new members. Some of the speakers felt they could already feel the effects of the President's request. Some of the speakers were as follows:

James R. Venable, Stone Mountain, Georgia

NATIONAL MEETING,
TUCKER, GEORGIA,
APRIL 10-11, 1965

[redacted]
[redacted], spoke up several times during the speeches to point out they had voted at the last meeting to limit talks to 10 minutes and to one member from each klan group.

Everyone was served breakfast in the meeting hall Sunday morning at 8:00 AM, April 11, 1965.

The closed meeting of the National Knights of the Ku Klux Klan, Inc., limited to delegates to the national meeting, came to order in the hall at 9:18 AM, April 11, 1965.

[redacted] read the minutes and the treasurer's report. They have a total of \$180.44 in the treasury, which funds are held by [redacted]. There is no known bank account in the name of this organization. The secretary then called the roll and pointed out there were persons present who were not on the rolls of the National Knights of the Ku Klux Klan, Inc.

b6

Walter Bailey raised his hand and stated that he was there at the special invitation of James R. Venable to discuss the proposed investigation of the klan organizations. [redacted] asked Bailey if it was his desire to again become a member of the National Knights of the Ku Klux Klan, Inc., and he said no. Bailey was excluded from the meeting and Venable asked Bailey to wait for him in his office.

A motion was made and carried that [redacted] of the Dixie Klans should be contacted and asked to pay his klan dues if he intended for the Dixie Klans to remain in the national organization or the Dixie Klans would be suspended for non-payment of dues.

NATIONAL KNIGHTS OF THE KU
KLUX KLAN, INC.,
NATIONAL MEETING,
TUCKER, GEORGIA,
APRIL 10-11, 1965

A committee, consisting of [redacted]
[redacted] was appointed by James R. Venable to contact
[redacted] United Klans of America, Inc., to determine
his future plans and intentions and to determine if he will
join in and cooperate with the National Knights of the Ku
Klux Klan, Inc. This committee is to report the results of
its efforts to the secretary who will in turn furnish the
information to all member klan groups.

James R. Venable gave a talk on the proposed national
investigation of the klan. He said he was an attorney and
could not tell anyone to destroy their records before going
to Washington or to plead the Fifth Amendment but for them
to use their heads and play dumb. He cautioned them against
doing anything unlawful.

[redacted] stated they had all agreed on the name
of the National Knights of the Ku Klux Klan, Inc., for their
group and that James Venable had subsequently incorporated
a separate klan group under this name. [redacted] suggested a
new name be decided on for this organization which no one
would take and incorporate. James R. Venable made a motion
that the name of the organization be changed to ~~Associated
Klans in America (AKIA)~~. (It is noted the initials ~~AKIA~~ have
been used in the past among klansmen to identify themselves
to one another and it stands for "A Klansman I AM.")

[redacted] also made a statement that the only way any klan
group would grow would be to get the name of the klan off the
subversive list. Venable got up and read the names of the
"Ku Klux Klan", "Association of Georgia Klans" and "Knights
of the White Camellia". He said he has already tried and has
done the best he knew how but that he would still keep trying
to get these names off the subversive list.

The "Ku Klux Klan", "Association of Georgia Klans", and
"Knights of the White Camellia" have been cited by the
U. S. Attorney General pursuant to Executive Order
10450.

NATIONAL KNIGHTS OF THE KU

NATIONAL MEETING,
TUCKER, GEORGIA,
APRIL 10-11, 1965

A motion was made and carried that the secretary be advised of all klan outings so that he could pass the information on to all member klan groups.

[redacted] then got up and invited all klan members at this meeting to attend a rally sponsored by Association of South Carolina Klans at Anderson, South Carolina, on April 24, 1965. [redacted] also made a motion that at public rallies klansmen should talk less about being anti-Jew, anti-Catholic, and anti-Negro. The motion was carried.

In addition, it was pointed out that at klan rallies the Confederate flag has been flown to the exclusion of the United States flag. It was agreed that hereafter the United States flag should be flown at all rallies, higher than the Confederate flag, and should be saluted by the klansmen.

The following committees were set up and chairmen designated, with the chairmen to select their own committee members:

APPENDIXASSOCIATION OF SOUTH CAROLINA KLANS
KNIGHTS OF THE KU KLUX KLAN (ASCK)

A source advised on September 24, 1956, that the Association of South Carolina Klans (ASCK) was organized in the Fall of 1955 and is patterned after the Association of Carolina Klans (ACK). This source said ASCK is a new organization and not a rebirth of ACK, although all high-ranking officials of ASCK had been members of ACK. The source stated announced purposes of this organization are to promote white supremacy and combat integration of the races; however the use of violence is disavowed.

[] source advised on September 2, 1950, that ACK was composed of groups formerly members of the Association of Georgia Klans (AGK) and although ACK severed all connections with AGK on November 14, 1949, the ideals, purposes and policies of the two organizations remained identical. ACK became defunct after conviction and imprisonment of its highest official and other members in 1952.

[] source said on September 16, 1962, that ASCK, using the name Majority Citizens League of South Carolina, published a monthly newspaper, "Southland Standard", from August through December, 1961, and dropped it due to lack of financial support.

[] source advised on August 17, 1964, that ASCK continues to operate for the purpose of promoting white supremacy and combating integration by peaceful means by public speaking and propaganda.

AGK has been designated by the Attorney General pursuant to Executive Order 10450.

KNIGHTS OF THE KU KLUX KLAN

A source advised on January 11, 1961, that the AGK, KKKK, was organized by [redacted] in the Spring of 1960, with mailing address of Post Office Box 41, Bloomingdale, Georgia. This source stated that AGK, KKKK, is a new organization and is not affiliated in any way with the old Association of Georgia Klans which is defunct. It is patterned after the U. S. Klans, has the same general ritual and has the same titles for its Klavern officers. Most officers and members are former members of the U. S. Klans. The announced purposes of this organization are to promote white supremacy and to fight integration and Communism by peaceful means, and it is opposed to any type of violence. This source said AGK, KKKK, is affiliated with the National Knights of the Ku Klux Klan.

b6
b7C

This same source advised on August 3, 1964, that this klan group continues to operate with the same aims and purposes and is localized in the area of Bloomingdale and Savannah, Georgia. It continues to be affiliated with the National Knights of the Ku Klux Klan.

APPENDIXUNITED FLORIDA KU KLUX KLAN (UFKKK)

A source advised on August 20, 1955, that a new organization known as Florida Ku Klux Klan (FKKK) had been formed at Macclenny, Florida, on August 14, 1955, by former members of the Association of Florida Ku Klux Klan (AFKKK).

The objectives of this group, according to a second source, are to oppose integration in the schools and to fight communism.

Regarding AFKKK, [] source advised that a former official of the Association of Georgia Klans (AGK) formed an organization on July 7, 1953, known as AFKKK. The "Morning Tribune," Tampa, Florida, newspaper, in its August 11, 1955, issue revealed AFKKK disbanded on that date.

[] source advised on October 25, 1956, that AFKKK operated under the same principles and bylaws as the AGK. The AGK has been designated by the Attorney General pursuant to Executive Order 10450.

[] source advised on February 17, 1958, that the FKKK is operating and maintaining the same objectives as set forth above.

[] source advised on June 28, 1961, that at a meeting held in Orlando, Florida, on June 25, 1961, the FKKK and the United Klans, Knights of the Ku Klux Klan, Incorporated, in Florida, consolidated and the new organization is known as the UFKKK.

On August 3, 1964, [] source advised that the UFKKK is still in existence in Florida and maintains the same objectives set forth above.

(OKKKK)

A source advised on October 25, 1963, that in December, 1960, a group was organized at Shreveport, Louisiana, known as the Original Knights of the Ku Klux Klan (OKKKK). The purpose of this organization was to promote Americanism, white supremacy, and the maintaining of segregation.

ASSOCIATION OF KLANS IN AMERICA, FORMERLY
KNOWN AS NATIONAL KNIGHTS OF THE KU KLUX
KLAN, INC., aka RACIAL MATTERS

A confidential source, who has furnished reliable information in the past, advised as follows on April 12, 1965:

On the evening of April 10, 1965, the first session of a two day meeting of the National Knights of the Ku Klux Klan, Incorporated, was held at the Organization's Headquarters, the Carl Garmon Building in Tucker, Georgia. This was an open meeting and there were persons present who were not Klan members. There were between forty five and fifty persons present, including several women.

The meeting was presided over by JAMES R. VENABLE, who was also the first speaker. He talked about the investigation of the Klan by the House Committee on Un-American Activities. He said that he would furnish free legal advice to any Klansman subpoenaed to testify before the House Committee on Un-American Activities. VENABLE attacked President LYNDON B. JOHNSON for his attack on the Klan. He said that President JOHNSON is out to destroy the Klan as well as all secret organizations including the Masons. He said that unless all white people joined together, the Freedom of the American People will be destroyed. VENABLE said the Klan is not a subversive organization but is an organization for Christian Protestants.

32
[redacted] of East Point, Georgia, gave a long speech on the history of the United States and the details of various sections of the United States Constitution.

[redacted] spoke on the objectives of the Klan. He said the Klan is based on the

Constitution of the United States and the preservation of the rights of the Caucasian Race.

The last speaker was an unknown preacher from Tennessee who represented Dixie Klans, Knights of the Ku Klux Klan, Inc. He is described as a White Male, forty five to fifty years old, about five feet, six or seven inches tall, weighing about 145 pounds, with dark hair and a slightly up turned nose. This Preacher made a fiery speech in which he said that Jews, Catholics and Negroes are not acting in accordance with the Constitution of the United States. He said that Dixie Klans would defy any order of the President or anyone else to disband their organization. He said there is only one answer to the Klans' troubles today and that answer could best be described in the phrase "Praise the Lord and pass the ammunition". He said the time for talking has passed and the time for action is at hand. He said that violence is the only answer he can see to the Klans' present problems.

Among those present at this session of the two day meeting were

At 9:30 a.m. on April 11, 1965, the second session of the two day meeting was called to order with twenty delegates present. This was a closed meeting. When the roll of

delegates was called it was found that WALTER A. BAILEY,
Post Office Box 806, Biloxi, Mississippi, was present. GA.
After checking with the Secretary it was determined
that BAILEY was not a bona fide member of the organization;
therefore, he was asked to leave. BAILEY left under
protest stating that he had driven all the way from
Biloxi, Mississippi, in response to an invitation
to attend the meeting.

[redacted] of Louisiana presided and
[redacted].

Considerable discussion was held on the
activities of [redacted]
of United Klans of America, Inc., Knights of the
Ku Klux Klan. All those taking part in the discussion
objected to the fact that [redacted] make
news releases in which they represent themselves
as speaking for all Klansmen. It was decided that
an effort will be made to get across to the public
the fact that [redacted] do not speak for
all Klansmen. A suggestion was made to appoint a
committee to visit with [redacted] and persuade him to
stop representing himself as a spokesman for all
Klansmen. [redacted] of Tallahassee, Florida,
was appointed [redacted] of the committee to visit
[redacted] and he will appoint two members of the
committee. This committee is to make a report at
the next meeting.

After some discussion a resolution was
unanimously adopted to change the name of the
organization from National Knights of the Ku
Klux Klan, Inc., to Association of Klans in
America.

JAMES R. VENABLE discussed at length the
coming House Committee on Un-American Activities
investigation of the Klan, explaining to those
present their rights if subpoenaed to testify
before the committee. He said that he would

represent, without fee, any Klansman subpoenaed. He said that no Klansman should stand on the Fifth Amendment in testifying before House Committee on Un-American Activities and that the best answer to the questions would be a poor memory.

Louisiana had three delegates at the meeting. These were [redacted] (First Name Unknown) [redacted] and an unknown white male described as about thirty eight years old, tall thin with a ruddy complexion.

Ohio had two delegates who were [redacted] and an unidentified male.

South Carolina had three delegates who were [redacted] unidentified white males.

Florida had [redacted] delegates who were [redacted] unidentified white male from Jacksonville, Florida.

United States Klans, Knights of the Ku Klux Klan, Inc., was [redacted] of Douglasville, Georgia. Among those present were JAMES R. VENABLE, [redacted]

[redacted] from Louisiana gave each person present at the meeting a copy of a leaflet which [redacted] stated had been distributed by the Klan in Louisiana. This leaflet is entitled "The Klans Answer to Lyndon Johnson". It reads as follows:

"On Friday, March 26, 1965, Lyndon Johnson, President of the United States, attacked one of the most patriotic organizations in this great land. He warned every Klansman to get out of the Ku Klux Klan and to join a 'decent' society for the Klan was going to be investigated and destroyed.

AT 157-60

"Lyndon Johnson, we know that we are not a perfect organization. We have a few misfits just as surely as there has been a misfit recently elected President of the United States. We do not advocate murder in any form for any cause, yet you condemn an entire organization for the actions of a few and they have yet to be proven guilty. We do not condemn everyone in the Democratic Party for your actions, Lyndon Johnson.

"No, Lyndon, you are wrong about the Ku Klux Klan. You can no more destroy us than you can destroy the heavens or the oceans. Even with all your ill-gotten and ill-used Power, the Left Wing News Media, the N.A.A.C.P., C.O.R.E. and all of the other Communistic and Socialistic rabble rousers, we will survive. For while there is a flicker of life in one true Klansman, the Klan will never die.

"It is you, Lyndon Johnson, that has turned his back on the white people of this country, not the Ku Klux Klan. It is you, Lyndon Johnson, who should join a 'decent' society. It was you, Lyndon Johnson, that expressed shock and anger when an agitator was killed in Alabama. You even telephoned your sympathy to her family. Yet when a White Law Officer is murdered by Niggers in Mississippi you did not see fit to mention it or telephone his widow. Were you not shocked and angered by this, Lyndon? Where is your sense of 'decency'?

"So bring on your investigations, Lyndon. We have nothing to fear, for we know that ours is a just cause. Our fight is for Racial Integrity and Constitutional Government. Are we fighting for too much, Lyndon? The Klan will disband when every Communist and Integrationist is driven from our shores. We will fight with every means at our disposal,

AT 157-60

at the Ballot Box, in the Swamps, or in the Hills,
if necessary, for we shall never surrender. THIS
IS OUR ANSWER!"

DIXIE KLANS, KNIGHTS OF
THE KU KLUX KLAN, INC.
(Tennessee)

Confidential Sources advised it was announced at a meeting of Klavern #1, U. S. Klans, Knights of the Ku Klux Klan, Inc., at Chattanooga, Tennessee, on September 17, 1958, that some former leaders of Klavern #1 and their close associates had been banished from U. S. Klans, Knights of the Ku Klux Klan, Inc., during the preceding week.

Sources advised those individuals who were banished formed a new klan organization known as Dixie Klans, Knights of the Ku Klux Klan, Inc., with headquarters in Masonic Hall, 2523 Glass Street, East Chattanooga, Tennessee. A general welfare charter was secured from the State of Tennessee on October 21, 1957, which charter lists some of the purposes of the organization as freedom of speech and association, rejection of forced integration, preservation of the Constitutions of the United States and of Tennessee, and preservation of the sovereignty of each state.

On July 15, 1964, source stated that the DK, KKKK, Inc., has one active klavern in Tennessee and two active klaverns in Georgia. He stated there are no other klaverns of this organization in any other states although attempts have been made in the past to organize klaverns in other states.

A Confidential Source advised during the fall of 1960 that a "den" of Klavern #1, DK, KKKK, Inc., Chattanooga, Tennessee, consisting of [redacted] including [redacted]

[redacted] of DK, KKKK, Inc., [redacted] or Klavern #1, Chattanooga, Tennessee (the local chapter president), and others, all listed as members of Klavern #1, DK, KKKK, Inc., Chattanooga, Tennessee, during July, August, and September, 1960, were reportedly responsible for five bombings of residences of Hamilton County, Tennessee, during July and August, 1960. Some of these members and alternates

b6
b7C

2

of den held closed meetings and discussed bombings and other acts of violence. These meetings were reportedly closed and rank and file members of this organization unaware of such. All reported members and alternates of den interviewed during another investigation, denied knowledge of bombings or acts of violence, denied knowledge of " " of DK, KKKK, Inc., and majority admitted membership of DK, KKKK, Inc.

Sources have reported as late as September, 1963 that for the past eighteen months or more, none of the DK, KKKK, Inc., members or leaders, including [redacted] [redacted] have discussed any acts of violence. In fact, during this period, 1962-63, Negroes have demonstrated at Chattanooga, Tennessee, seeking integration of public and municipal facilities. In addition to these demonstrations some of the public schools, Chattanooga, have been integrated during the fall of 1962 and the fall of 1963. During these demonstrations and the integration of these schools, [redacted] [redacted] and other DK, KKKK, Inc., leaders at closed meetings of this organization, and on an individual basis, have instructed members of this organization to stay away from areas of demonstration by Negroes and schools where integration was occurring, not to participate in any demonstrations or attempt to interfere with any Negro demonstrations, violence or advocate any acts of violence or become engaged in any arguments over above matters.

b6
b7C

From October, 1960 to July, 1964 no acts of violence have occurred at Chattanooga and vicinity. During this period, DK, KKKK, Inc., has continued to operate as an active organization and during the same period all municipal facilities, Chattanooga, have been integrated, the majority of public facilities, including theatres, restaurants, motels, hotels, and other facilities have been integrated, plus integration of schools during the fall of 1962 and the fall of 1963. All have been accepted peacefully with no demonstrations or acts of violence or discussion of acts of violence by DK, KKKK, Inc., members.

Logical informants and sources of the Detroit Division

of South Carolina Klans (ASCK) was held on 9/20/64, and that
[redacted] mentioned that a representative from Michigan
indicated that Detroit is expecting trouble from the Negroes.

Charlotte, by letter to Detroit, 3/9/65, advised that
the original information furnished by [redacted] in regard to
captioned matter, was obtained in a private conversation
with [redacted] of the ASCK. [redacted]
advised informant at the time that while he attended a
National Meeting of the KKK near Atlanta, Georgia, he saw
representatives from the above mentioned states present at
the meeting as observers. Their ostensible purpose for being
there was to learn "how" to set up a Klan organization. The

[] on two occasions and that in general conversation said he had no idea who the representatives were. The informant said that he did not want to question [] too closely about this matter and did not ask for any physical descriptions.

According to Charlotte letter, security is being tightened in the ASCK and it would not be to the best interests of the informant to ask too many questions. Charlotte further advised Detroit that should there be any further information of a more specific nature, Detroit would be advised.

For the information of the Bureau, in view of the above recontact with [] and failure to develop any descriptive data concerning the unknown representative from Michigan, Detroit would not feel that any more investigative time was warranted at this time until more specific information was developed at Charlotte.

On 5/13/65, [redacted] advised that on 5/11/65, [redacted], who is organizing a new Klan group known as Knights of the Ku Klux Klan (Georgia), was recently in Ohio and conferred with prospective Klan leaders there. Upon [redacted] return to Atlanta, [redacted] told [redacted] that JAMES R. VENABLE, Chairman of Association of Klans in America (AKIA), had appointed [redacted] in KKKK (Georgia). The date and identity of office is not known to informant, but informant believes it is probably the office of Kleagle (Organizer). b6 b7C b7D

Although [redacted] and VENABLE are competitors in organizing Klan groups and are unfriendly toward one another, care should be taken to protect information so that informant is not disclosed as the source of information.

CINCINNATI and LOUISVILLE attempt to verify through sources [redacted] of AKIA.

Re Bureau let to Cincinnati, 5/12/65.

Investigation through contact with sources and informants indicates that [redacted] is the only known official Klan recruiter operating in the Cincinnati, Ohio, area at this time. As Bureau was advised previously, she admitted this status in local Cincinnati television interview recently.

Contacts with [redacted] racial informant (probationary) during week of 5/17/65, has established that the proposed Klan rally scheduled for 5/28, 29 and 30/65, will definitely be held on [redacted]

[redacted] at Oregonia, Ohio. [redacted] has also advised that local followers of the Klan and NSRP will be requested [redacted]

[redacted] to Klan meeting. [redacted] of definite opinion that [redacted] highly exaggerates Klan membership in the Cincinnati area, and probably exaggerates her claims to build up her own status within the Klan organization.

RE: NATIONAL KNIGHTS OF THE KU KLUX KLAN, INC.

During the P.M. of May 28, 1965, B. K. Kennard, Sheriff, Warren County, Lebanon, Ohio, advised that the first night's activity of the Klan rally, which took place [redacted] Oregonia, Ohio, May 28, 1965, was orderly and approximately 250 individuals were in attendance. Sheriff Kennard explained that a large percentage of the individuals were curiosity observers and newspaper reporters from the surrounding area. Sheriff Kennard said that his department will be furnishing 24 hour coverage of the Klan rally.

On May 29, 1965, a confidential source of the Cincinnati Office volunteered the following information concerning the above Klan rally to an FBI representative:

She attended the Klan rally at Oregonia, Ohio, during the P.M. of May 28, 1965, and the Klan group involved made a weak showing. A total of about 250 to 500 persons were in attendance at the rally, which included six "die-hard" Klansmen and about 30 members of the Klan, National States Rights Party, or similar organizations. Among those present who were known Klan members were James Venable, [redacted] [redacted] Covington, Kentucky.

This source advised that no cross burnings occurred during the evening of May 28, 1965, but a cross burning was planned for the evening of May 29, 1965. Source advised that [redacted] was noticed to be drinking excessively, became emotional and militant, and is attempting to get members of the American Nazi Party from Cincinnati to attend the remainder of the Klan rally. Source added that this Klan organization is attempting to make this rally a most dramatic showing and is seeking all possible publicity.

RE: NATIONAL KNIGHTS OF THE KKK, INC.

Source further advised that a number of Antioch, Ohio, College students gained entrance to the Klan rally area and a small scuffle broke out, which included mainly shouting harassing remarks to the Klansmen in attendance. This situation was quickly handled by the Warren County Sheriff's Office, who escorted the Antioch College students from the rally area without incident. Source said she overheard some of the students say they were coming back in greater force the next day. [] indicated the Klansmen will be ready for the Antioch students and gave the impression that weapons might possibly be available on []

The above information was immediately furnished to Sheriff Kennard, of the Warren County Sheriff's Office, Lebanon, Ohio.

At 11:10 A.M., May 29, 1965, Special Agent [] [] 109th INTC Group, U. S. Army, Cincinnati, was telephonically advised of the above.

A P P E N D I X

AMERICAN NAZI PARTY OF THE WORLD OF FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second "the dissemination of our program and the truth about the Party;" third "organizing the people who have been converted to our propaganda;" and fourth "the attainment of power through the votes of the newly-won masses."

AMERICAN NAZI PARTY OF THE WORLD UNION OF FREE ENTERPRISE NATIONAL

On February 17, 1964, [REDACTED]

[REDACTED] of the ANP, advised that George Lincoln Rockwell believes that he has completed the first two phases in his struggle for power and is now well into the third phase. Allen said, however, in his opinion, Rockwell has only completed phase one.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

b6
b7C

On October 3, 1963, [REDACTED] the admitted [REDACTED] of the FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the spring of 1961, has no official connection with the ANP although until December, 1962, it received all its literature from George Lincoln Rockwell's ANP.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "To make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda" and fourth, "the attainment of power through the votes of the newly-won masses."
